Description

The Methven Aio Aurajet overhead soaker creates a invigorating showering experience. Methven has built on the popularity of Methven Aio Aurajet Handset (product code: AOHSCPUK) and created this stunning overhead version.

Methven's Aurajet has been designed to deliver maximum body contact and overall warmth whilst retaining its unobtrusive presence in the showering area.

Methven have incorporated Hydrophobic properties into the manufacture of the Aio Aurajet overhead soaker, which resists the build-up of Limescale.

The Aio collection has been designed and engineered in New Zealand.

Key Benefits:

- Unobtrusive but stylish look.
- Matching Methven Aio showers and handsets.
- Limescale resistant.

Technical details:

- With (at the widest point): 220mm.
- length from inlet to the front: 410mm.
- Suitable for high pressure systems only.
- Inlet connections: $\frac{1}{2}$ BSP.
- Working pressure: 1.0 - 5.0 Bar.
- Constructed out of ABS.

Approvals:

- WRAS Approved.
- Kiwa Approved.

Warranty:

- Methven offers this with a life time warranty; subject to their

terms and conditions.
